## **Background**

**My inspiration came from a social news event about how verbal violence can lead a person into the dark and kill a person.**

## **About the story**

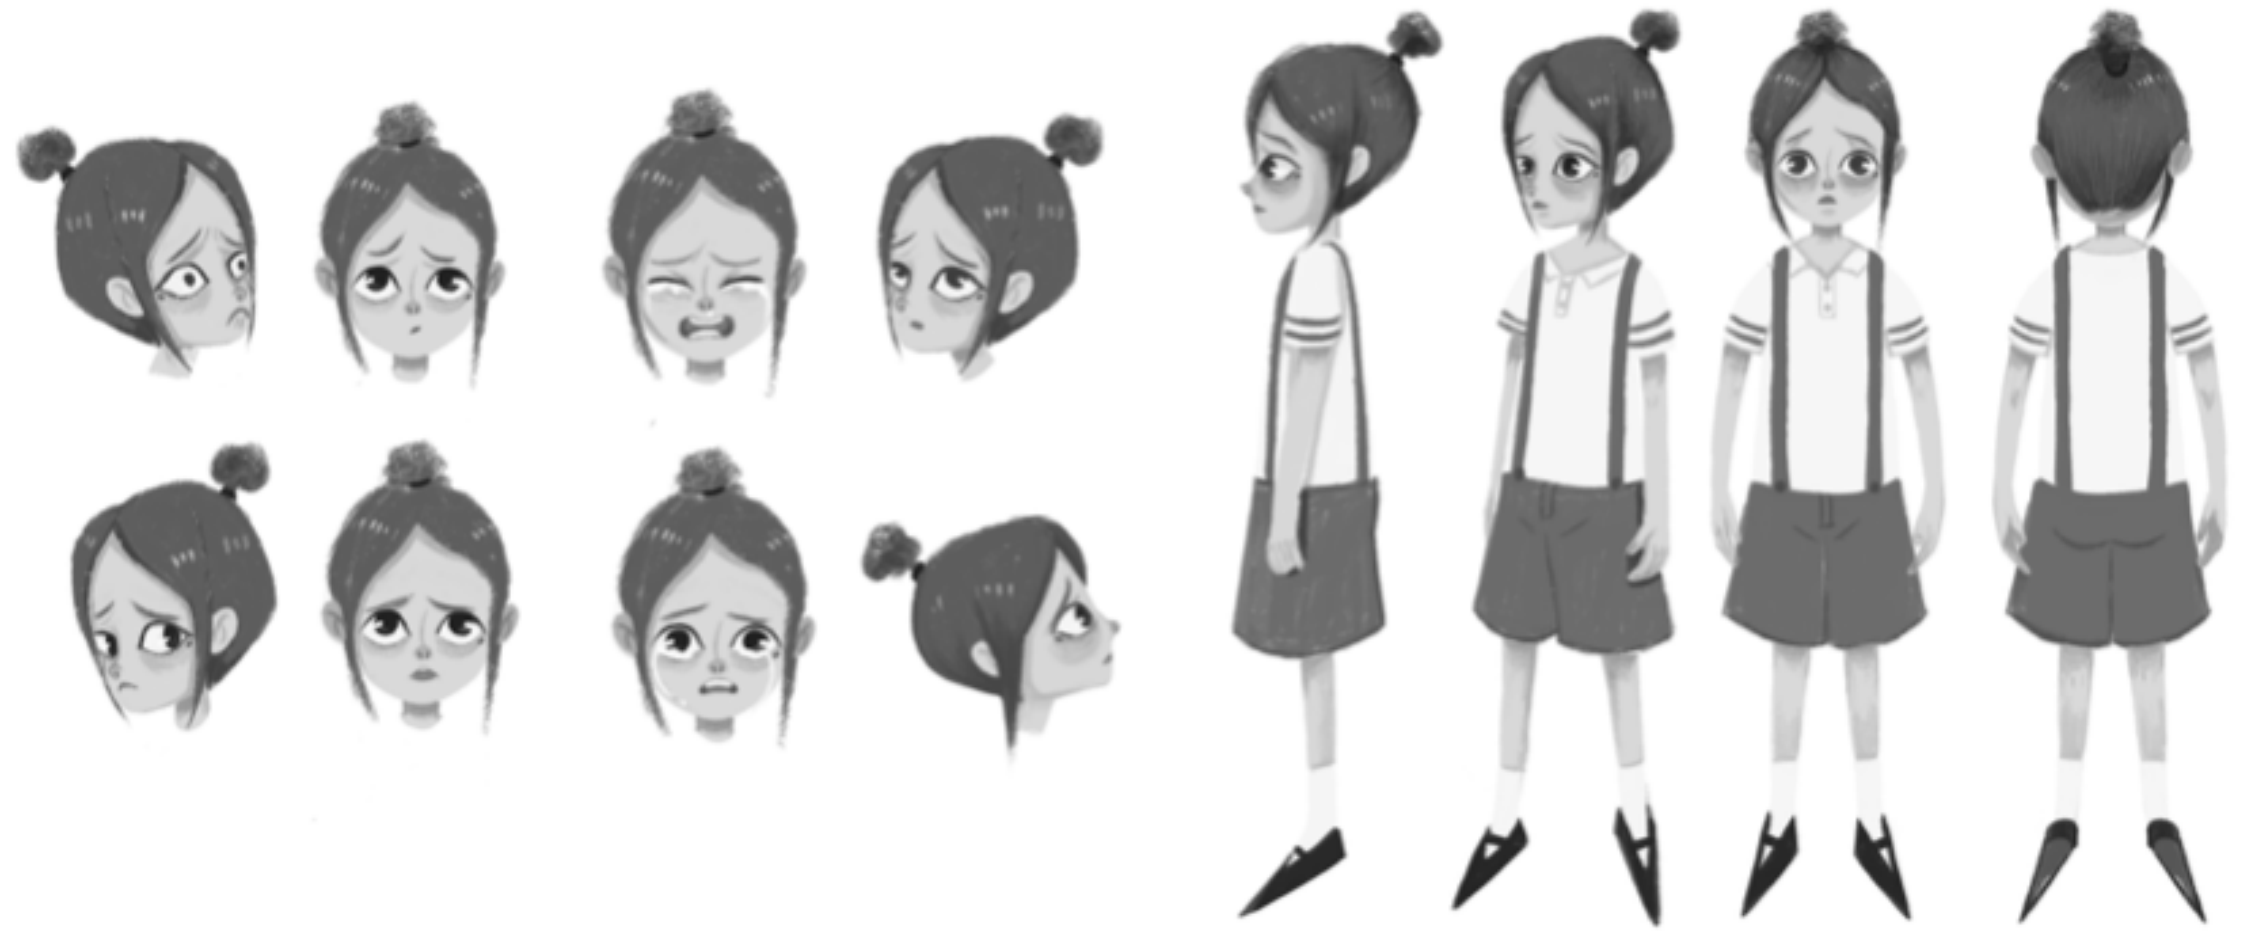

**The little girl did foolish things like tripped by the banana peel on the ground, drawing onlookers to see the excitement.**

**The little girl wanted to escape, but the front is gossiper, and behind is the abyss. Who can save her?**

**If you were the girl, how to make a choice?**

## Mouth Beast

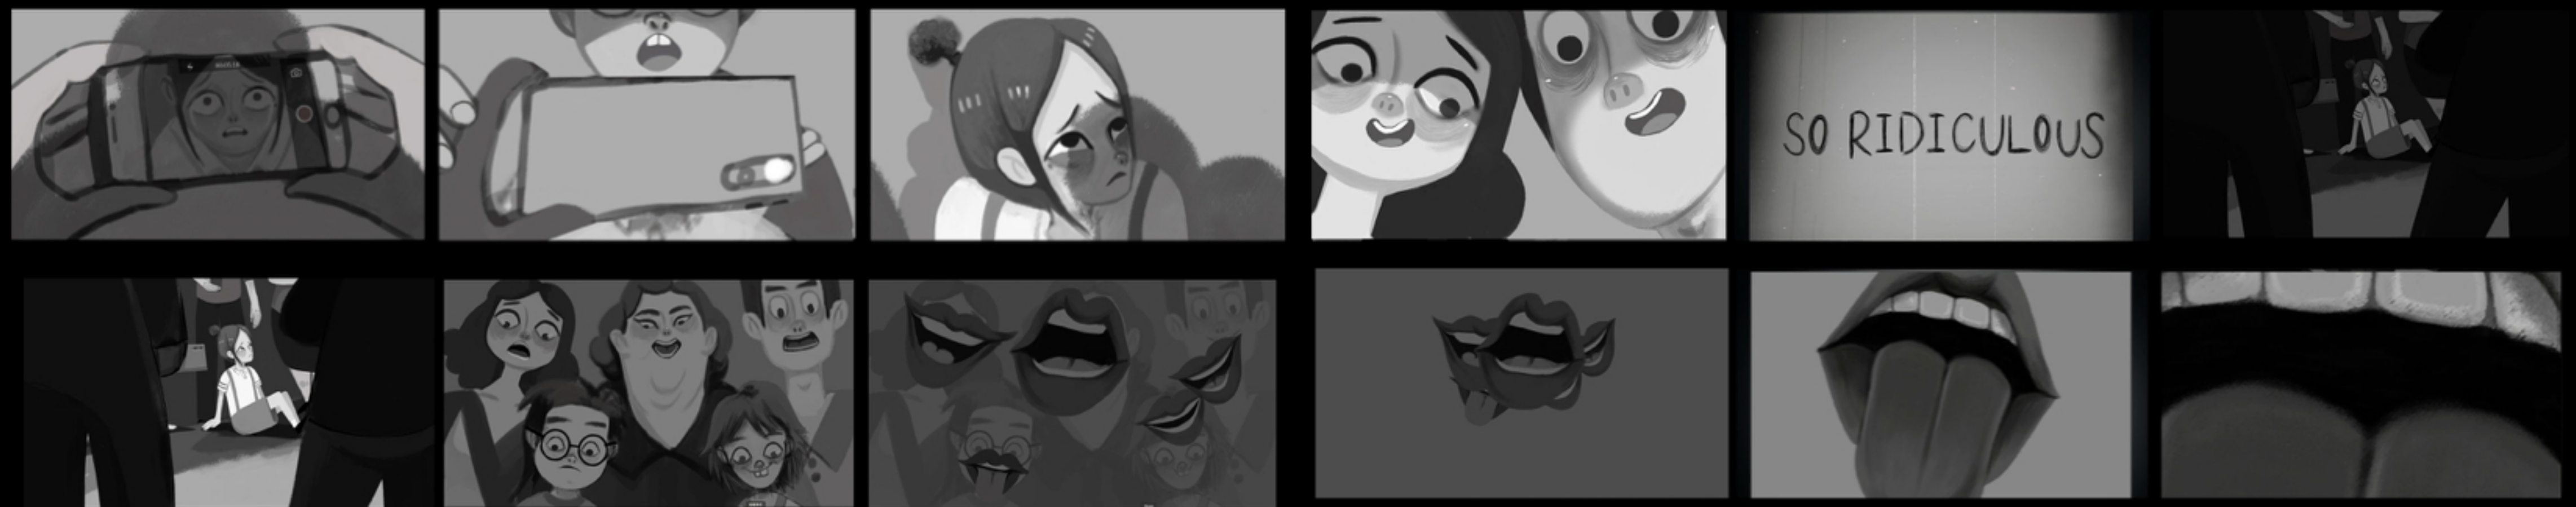

**No snowflake in an avalanche ever feels responsible.  
Revelling in verbal violence, dying in verbal violence.**

**Sometimes, the mouth is like a pistol.  
Gossip is like a bullet.**
